Shreveport Wildcatters

The Shreveport Wildcatters Association was established in 2004 by a group of local industry professionals. The primary goal of the association is to create a forum for timely and relevant energy business discussion. Quarterly meetings and semiannual luncheons with active industry leaders and their senior management also provide networking opportunities for its membership and guests. Members come from all over the Louisiana/Texas/Arkansas region, creating new business relationships and opportunities through Wildcatter meetings and social-networking events. You must be a member of the Petroleum Club to apply for membership to Wildcatters
