MEMBER SPOTLIGHT

Crystal and Marty Wooldridge

This month, we are shining the spotlight on Marty and Crystal Wooldridge. They are the owner/operators of the Wooldridge Cattle Company. You may also run into Crystal at Raymond James. They are from North Caddo Parish and joined the Club in 2008 when they were planning their wedding. They believe in the importance of utilizing their Club and all of the fun experiences created. They not only come for lunch, they have enjoyed dining at the Reserve Steakhouse, playing bingo, holiday brunches and they have celebrated family milestones in the Club's private party rooms. Crystal and Marty say they enjoy everything about the Club including the outstanding and courteous staff as well as the long time relationships they have built with other members. They are especially excited to see the return of the Petroleum Club's New Year's Eve party.

We are proud to have had not only Crystal and Marty as members for years, but also other Wooldridge family as members. (My favorite Wooldridge is Tripp—Crystal and Marty's 5 year old son!) We've had the distinct pleasure of celebrating marriages, surprise birthday parties and business events with them. We are excited to announce that we are now serving Wooldridge Cattle Company Burgers at the Club too!

When asked what they would say to other members, they responded, "Without a doubt, we recommend you take part in every event or activity the Club has. You will not be disappointed!"

Wizards of Oz Breakfast

The Petroleum Club had the pleasure of once again partnering with the Shreveport Metropolitan Ballet for the "Wizard of Oz Breakfast with Dorothy and Friends." Performers mingled and signed autographs while Gracing Faces painted some cute little faces. Thank you to all that came and supported our event!

Love was in the air for Valentine's day and the Petroleum Club was sold out for dinner! Drew Ley serenaded guests while they enjoyed an assortment of craft cocktails and a one-of-a-kind dining experience created by Chef Wesley Douglas.

The Petroleum Club's Annual Board of Directors dinner was held March 6 to honor our outgoing board members. The dinner was a "Farm to Chef's Table to You" dining experience that included each course being finished and plated at the "chef's" table in their dining room. Floral décor was provided by Brianna Belton Designs and definitely brought the farm feel to our dining room.

Happy *April* Birthday

Do you have a birthday in April? Come to the Club and enjoy a complimentary lunch or complimentary dinner at the Reserve Steakhouse when you present this certificate to your server. Does not include alcoholic beverages.

No reservations required

Wooldridge Cattle Company Burgers have arrived!

The Petroleum Club is known for a good burger and now the burgers at the Club have just gotten better. We are proud to

announce that we are now featuring hamburgers from **Wooldridge Cattle Company**. The Wooldridge Cattle Company is locally owned and operated by Petroleum Club members **Marty and Crystal Wooldridge**. The beef is farm raised, contains no artificial ingredients and is processed locally. From cow to finished product to delivery, it all happens right here in Caddo and Bossier Parish. We are also using Wooldridge Cattle Company beef for our chicken fried steaks and roast and so far, we've had a great response. Make sure to come by the Club and try your Wooldridge burger today!
